

Dear Friend of P.S. 151,

Thank you for considering donating an auction lot for the Yorkville Community School Spring Auction that will take place on Saturday March 18th, 2017. This year's auction theme is "Enchantment Under the Sea" which ties in very nicely with our Sea Creatures unit of study which has earned us our Showcase School status for the second year in a row!

Opened in 2009, PS 151, the Yorkville Community School (YCS) located at 421 East 88th street is a nurturing public school serving the needs of close to 600 diverse elementary school children. Every dollar we raise through this event will directly impact our ability to support many critical programs and services no longer included in the Department of Education budget.

Without your generosity, programs such as theater, music, art, chess and dance would exist in a greatly diminished state or not at all. 100% of the funds raised will go directly to funding these enrichment programs. All auction items and donors will be featured in our silent and/or live auction as well as our auction catalog that will be published to nearly 600 Upper East Side Families.

On behalf of the children, we greatly appreciate your support!

YCS PTA is a federally recognized 501(c) (3) organization and all donations are tax deductible.

Warm Regards,

YCS PTA
